

**AUTHORIZATION FOR
RELEASE OF INFORMATION**

Each baby delivered at Terrebonne General Health System is a memorable event. We know your newborn baby is a treasure to you and your family. To help you share your newborn's arrival, two free services are available to all mothers delivering at Terrebonne General Health System:

- **Terrebonne General Health System Hello Baby Program** - Your baby's photo and a special message will appear on the Hello Baby Billboard located at the intersection of Martin Luther King Boulevard and Main Street in Houma. The billboard will display your baby's first name, middle name, date of birth, weight and length. Three days after this consent form is received, your baby's photo and message will appear on the billboard for a time span of 10 days.
- **Terrebonne General Health System Social Media** - Upon your consent your baby's information listed above and photo will be provided to Terrebonne General to be published on social media
